Dedication

Each year the Senior Class is given the opportunity to pay special tribute to people who have played a special part in helping them reach their important milestone in high school by dedicating their yearbook to them. It is a great opportunity for us to pay special honor to three people in our school this year. We, the Senior Class of '75, would like to dedicate this yearbook to Mr. Charles Woody, Mrs. Margaret Dyer, and Mr. Thomas Eason.

To you, Mr. Charles "Dock" Woody, we owe more thanks and gratitude than could ever be expressed in words. You have been our friend, as well as, our principal. You always had time to talk with us and help us in any way. You have devoted your love and interest to Scotts Hill School in a way no one else could have done. While we are on vacation or after school, you are still here endeavoring to make our building cleaner and to make things better for us. Even when you are not in the building or around, your presence is clearly visible by all the things you have done for and meant to Scotts Hill School.

To you, Mrs. Margaret Dyer, we would like to offer a special thanks for all that you have done for us. You have always been interested in whatever we were doing and you always helped us in any way that you could. Your help has made our yearbook a success. Your efforts for us have helped to make our high school experience very memorable. We would like to offer our thanks to you, Mrs. Dyer, for all your love, patience, and understanding.

To you, Mr. Thomas Eason, thank you for your patience and understanding that you have had with us during our hardships. You have encouraged us to do things that are right and the things that you know will benefit us. Your efforts as a sponsor and advisor have made our Beta Club an inspiring organization to be a part of. You have always forfeited class time for our special projects. And so, Mr. Thomas Eason, we offer this dedication to you to express our appreciation for your love and understanding that you have shown for us at S.H.H.S.

Again, to each of you, for all you have done and meant to us, we offer this dedication to Mr. Charles Woody, Mrs. Margaret Dyer, and Mr. Thomas Eason.

Principal's
Message

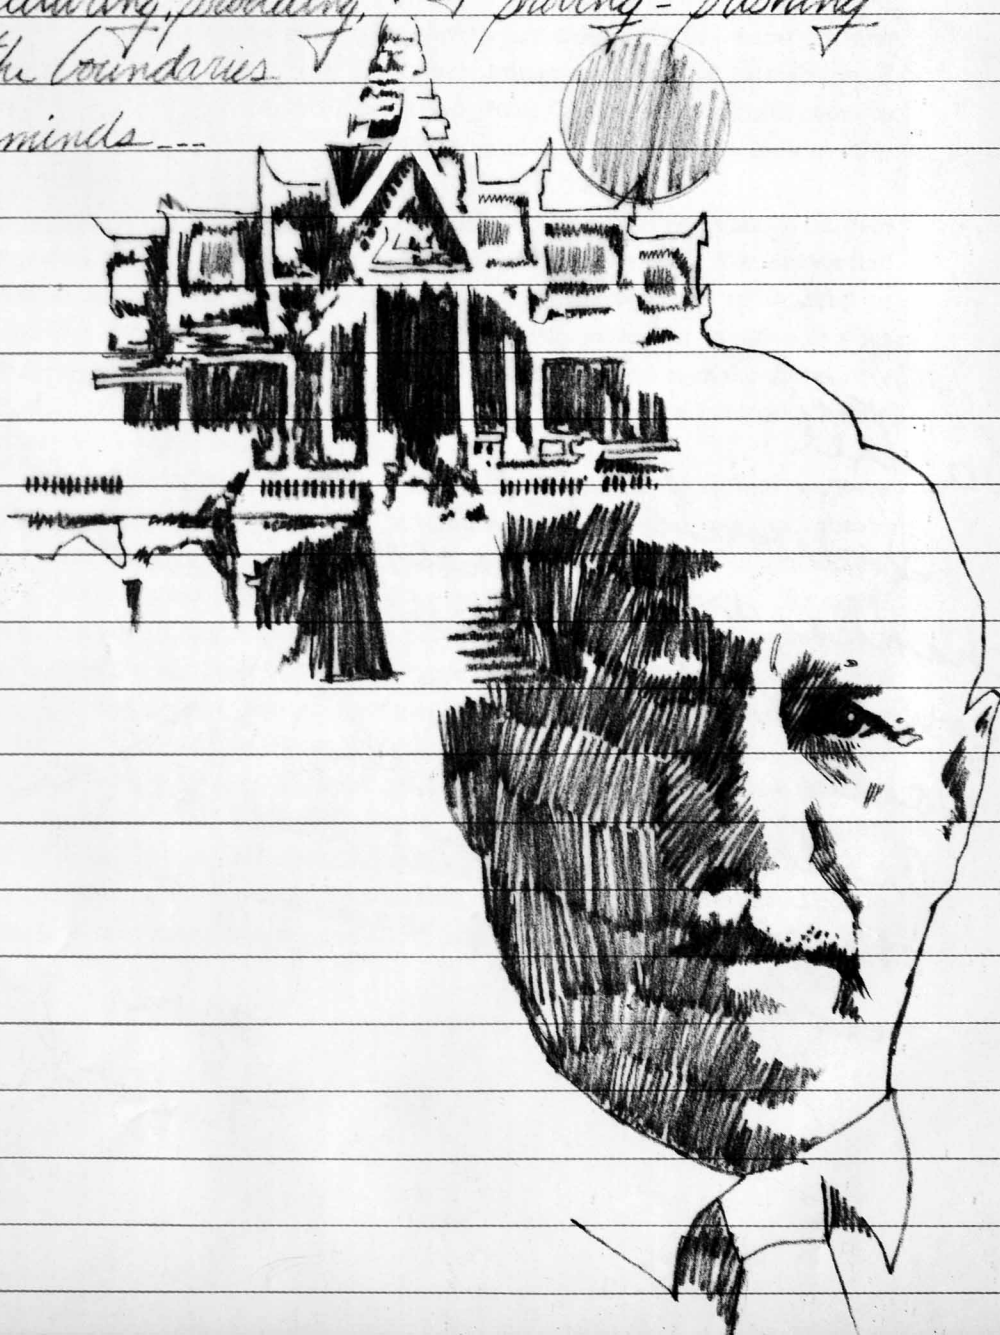

To All:
I would like to express my
thanks and appreciation to each of
you for your cooperation and hard
work.

As the years go by, may your
memory of Scotts Hill School days
become more meaningful to you.

Your friend,
Rock Woody

faraway places and new ideas - brought right
into the classroom - "read the next fifty pages
for tomorrow" - conferences after class - a pop quiz
on the only day you didn't read the assign-
ment - teaching us something in spite of our-
selves - lecturing, prodding, & puting - pushing
back the boundaries

Favorites

beauties and brains - most talented, wittiest,
most likely to succeed - our "favorite" people -
somehow good times are even better whenever
they're around - always ready with a smile -
help make the school's "personality" what it
is - involved - reaching out - these are the ones
we have chosen ---

ace bandages and pulled muscles - late practice, early practice - "one more lap around the field" - sweat running down aching backs - "ten more push-ups and we'll call it a day" - and then, the first game - feeling a few butterflies - watching the cheerleaders go crazy on the sidelines - off the bench at last - just turn us loose! - singing the national anthem last minute instructions from the coach - now go! -

SCOTTS HILL JAYCEES

The Jaycee Creed

We believe:

That faith in God gives meaning
and purpose to human life;
That the brotherhood of man
transcends the sovereignty of nationa;
That economic justice can best be won by
free men through free enterprise;
That government should be of laws
rather than of men;
That earth's great treasure lies
in human personality;
And that service to humanity is
the best work of life.

The long task of building a yearbook has finally been completed. It has been a long and hard job, but we are very proud of our book. Without the help of many people this would not have been possible. We wish to express our special thanks to all who purchased an ad, bought a yearbook, and the many people who devoted time to work on the book. Our thanks go to Moore's Studio for the day they gave us making pictures. We owe very much to Mr. Woody for his help and co-operation.

We hope everyone will enjoy this book as much as we do and treasure it more as the years go by.
